

中航商用航空发动机有限责任公司（简称“中航商发”,ACAE）成立于 2009 年 1 月 18 日，是由中国航空工业集团公司与上海烟草集团有限责任公司、上海电气（集团）总公司、上海国盛（集团）有限公司共同出资组建的股份多元化企业，主要从事商用航空发动机及其相关产品的设计、研制、生产、销售服务和技术咨询业务。中航工业商发研制生产交付商用大涵道比涡扇发动机系列产品，成为商用航空发动机全球主要供应商之一，产品规划涵盖窄体客机发动机、宽体客机发动机和支线客机发动机三个产品系列。

目前光辉国际(Korn Ferry International, 全球排名第一的猎头公司)代表中航商发公司在北美诚聘资深航空发动机技术人才（首席专家（国家千人计划），主任/副主任专家）。涉及的主要领域包括：燃烧室，传动系统，材料工程，空气系统，可靠性与适航，工作地点为上海。欢迎有志回国发展的航空专业人才进一步和我们联系。同时，针对暂时不能来中国工作的专家，我们的客户也考虑高薪聘请短期顾问的形式。详情欢迎发邮件咨询。

联系人：刘家良，合伙人，Louis.Liu@kornferry.com; 寿辰，高级经理，Chloe.Shou@Kornferry.com,

AVIC Commercial Aircraft Engine Co.,Ltd.(hereafter ACAE) was established in Shanghai on Jan.18th 2009. ACAE is engaged in design, research & development, manufacturing, sales service and technical consultation for commercial aircraft engine and related products, and aims to develop a China-made high bypass ratio commercial aircraft engine, and becomes a leading world-class commercial aircraft engine producer. Its product plan covers the product series for narrow-body aircraft, wide-body aircraft and regional jet.

On behalf of ACAE, Kornferry(a leading US-based executive search firm) is seeking seasoned Aircraft Engine research and design professionals to join our client's fast growing team in Shanghai, China. We are keen to have touch base with candidate who has extensive experiences in the following technical sectors including Combustion, Transmission System, Material Engineering, Air System, Reliability and Airworthiness. In additional to full time employment opportunity, part-time or Contract/Consulting type of cooperation are also considered depending on individual situation. We look forward to having exploratory conversations with someone who is interested in such opportunities and be happy to address any questions/concerns that you may have.

Please kindly reach out to us via Louis.Liu@kornfery.com or Chloe.Shou@kornfery.com for a confidential discussion. Thank you “
